

## *Timber Trundlers Bowling Association*

The Timber Trundlers Bowling Association is a Lignum-Vitae Preservation Bowling Association. We were Founded in 1996 by Jim King and Roy Sargent members of Wimborne Bowling Club  
This year is our 25<sup>th</sup> Anniversary.

The original Object was to

1. Preserve the Lignum Vitae Bowl
2. To provide an organisation where members have the opportunity to use their Lignum Bowls.
3. To adopt and enforce the current laws of the sport.
4. To promote games of Bowls with other Bowling Clubs and Associations

We are always looking for New Members.

We only bowl on Fridays and Membership is a very costly £20.00 for the first year and £16.00 per year after that.

Many of us have spare sets of Lignum Woods that we have purchased over the years so no problem for New Members.
